WINES

WHITE WINE

**Lorenz & Söhne Kreuznacher Weiss
Chardonnay - Germany**

€ 30,00

Lorenz & Söhne is located in the picturesque wine-growing region “Nahe” in Germany. The Chardonnay Kreuznacher has matured for 50% in large oak barrels for 5 months. The result is juicy on the nose with notes of gooseberry and light sweet notes of vanilla due to the partial wood ageing. Fresh and invigorating. In the mouth fresh citrus tones, apple, fine, lively acids combined with a slight residual bubble from the fermentation.

**HâHâ Marlborough
Sauvignon Blanc - New Zealand**

€ 35,00

This sauvignon impresses with fresh associations of mango, lychee and passion fruit. Its balance, mineral richness, smoky creaminess and mouth-watering finish make this Sauvignon a dream aperitif and culinary greatness with seafood and refined starters.

**William Fèvre Chablis
Chardonnay - France**

€ 65,00

The hand-picked chardonnay goes to the sorting table in small crates. Flawless Chablis with influences of marl and lime soil of the region. In addition to a refined minerality, an impressive vitality, ripe citrus tones and a touch of cream. A great wine that deserves a place on the table with soft cheeses, oysters or your other seafood dish.

ROSÉ WINE

**Domaine Sainte Lucie MIP Classic
Cinsault, Syrah, Grenache - France**

€ 35,00

For the MIP (Made in Provence) Classic, cinsault, syrah and grenache grapes are picked at night (60%, 20% and 20% respectively). Immediately after demining pressed and fermented separately on cooled tanks. This creates a very slightly tinted rosé with taste nuances of red fruits and citrus fruit and a tempting herbal perfume of rose petals. Fresh companion in light Mediterranean dishes and white meats or as a light, refreshing aperitif.

RED WINE

Domaine de Grangeneuve Vieille Vignes Rhône

Grenache, Syrah - France

€ 30,00

Equal parts of grape from vines older than 35 years. Vinified on concrete cuvées and raised on used wood for a year. This results in great concentration and structure. Spicy fragrance with sultry aromas of red fruit, animal notes and liquorice. The Vieilles Vignes has a wide taste with soft tannins and a nice spiciness. Combines well with roasted meat, game and ripe cheeses.

Barón de Ley Rioja Reserva

Tempranillo, Graciano - Spain

€ 37,50

This Reserva matures for a minimum of 20 months in oak barrels and then matures in the bottle until it has reached its fullness. The colour of the wine is ruby red. In the nose, aromas of red fruit and sweet spices dominate, but you'll notice hints of balsamic in the background. The taste is strong and full, but also has a pleasant softness. The finish is long and creamy with the red fruit clearly present and complemented by wood tones.

Domaine des Sénéchaux Châteauneuf du Pape

Grenache, Syrah, Mourvèdre, Vaccarèse-cinsault - France

€ 90,00

Ripe and powerful, silky smooth with liquorice, herbs and a lot of length. On the winery of twenty hectares and three types of underlayers, the grapes for the red Sénéchaux grow beautifully. In the ratio of 62, 20, 16 and 2 percent (respectively). A wine with a beautifully ripe structure, pleasant tannins and delicious aromas of sultry cherries and berries. In addition, impressive pepper with notes of laurel. Masterful Rhône with strength, conviction, roundness and finesse. Enjoy this wine with a charcuterie, powerful meat dishes, game meat and/or aged hard cheeses.

SPARKLING

PROSECCO , Lisetto Prosecco Spumante DOC	€ 35,00
CAVA , Mont Marcal Cava Gran Cuvée Brut	€ 30,00

CHAMPAGNE

Laurent-Perrier La Cuvée Brut	€ 95,00
--------------------------------------	---------

Where champagne houses on average add about 30% Chardonnay to the blend of their brut champagne, Laurent-Perrier uses 55%. (10% Pinot Meunier and 35% Pinot Noir). In addition, the La Cuvée is almost maturing three times longer than the mandatory minimum maturing time. The result is one light golden champagne with a fine and long-lasting mousse, and a delicate aroma with fresh citrus, white flowers, peach and white fruit. A perfect balance between freshness, refinement and an intensely fruity aftertaste. La Cuvée is the perfect aperitif, but also an ideal accompaniment to poultry and fish.

Laurent-Perrier Champagne La Cuvée Brut Rosé	€ 160,00
---	----------

Soft creamy, light-footed, red fruit and a long finish, praised for its intensely dusty bouquet, refined taste and gastronomic value ... Unlike other rosé Champagnes created by mixing red and white wine, the Laurent-Perrier Cuvée Rosé Brut gets its beautiful salmon pink colour with the so-called saignée technique. The Cuvée Rosé Brut therefore has a flawless and crisp fresh scent of strawberries, raspberries and black cherries. It makes this champagne delicious as an aperitif, a delicious accompaniment to charcuterie or poultry and an elegant charmer alongside red fruit desserts. A real celebration for and on every occasion.
