For the MIP (Made in Provence) Classic, cinsault, syrah and grenache grapes

CHAMPAGNE

Laurent-Perrier La Cuvée Brut	€ 75,00
--------------------------------------	---------

Where champagne houses on average add about 30% Chardonnay to the blend of their brut champagne, Laurent-Perrier uses 55%. (10% Pinot Meunier and 35% Pinot Noir). In addition, the La Cuvée is almost maturing three times longer than the mandatory minimum maturing time. The result is one light golden champagne with a fine and long-lasting mousse, and a delicate aroma with fresh citrus, white flowers, peach and white fruit. A perfect balance between freshness, refinement and an intensely fruity aftertaste. La Cuvée is the perfect aperitif, but also an ideal accompaniment to poultry and fish.

Laurent-Perrier Champagne La Cuvée Brut rosé	€ 120,00
---	----------

Soft creamy, light-footed, red fruit and a long finish, praised for its intensely dusty bouquet, refined taste and gastronomic value ... Unlike other rosé Champagnes created by mixing red and white wine the Laurent-Perrier's Cuvée Rosé Brut get it's beautiful salmon pink color with the so-called saignée technique. The Cuvée Rosé Brut therefore has a flawless and crisp fresh scent of strawberries, raspberry and black cherries. It makes this champagne delicious as an aperitif, an inimitably delicious accompaniment to charcuterie or poultry and an elegant charmer alongside red fruit desserts. A real celebration for and on every occasion.
